OBLIQUA > Acciaio Inox lucido-CRCR

Un orientamento progettuale che indaga il sottile confine tra forma e funzione. Dotata di spessore molto sottile OBLIQUA aderisce con innata eleganza alle pareti integrandosi in modo naturale e raffinato all'ambiente. Purezza e semplicità oltre ad elevata efficienza e funzionalità. Spazio che comunica armonia e bellezza ed invita con naturalezza a momenti di relax e meditazione.

With a design that emphasizes the subtle barrier between form and function, OBLIQUA's ultra-thin structure clings exquisitely to the wall, naturally and elegantly blending in with the environment. Purity and simplicity are combined with high efficiency and functionality. The beauty and harmony of the ambient created naturally inspire moments of relaxation and mediation.
